

German-Israeli Project Cooperation (DIP)

The DIP **pre-proposals** are to be submitted to the **Research Authority** by **October 18, 2022**.

The pre-proposals are sent out for review to a number of external reviewers and will be evaluated by an internal university committee.

Each year only **two** proposals per university will be invited to submit a **full proposal** to the Program (Full Proposal Deadline: **March 31, 2023**).

PRE-PROPOSAL Submission Deadline: OCTOBER 18, 2022

Pre-proposals should include:

1. Project description
2. Outline collaboration with the German partners **emphasizing a real partnership** and prior cooperation (you do not need to have prior collaboration but it is an advantage).
3. Inclusion of postdocs and young researchers – clearly emphasize how you plan to include the participation of young researchers in the project.
4. Emphasis on original and innovative research.
(The above four categories should be limited to five pages only (1.5 spacing)).
5. Budget description- a rough estimate (**in words**) stressing why you need this kind of money for a 5 year period: 1,655,000€ which includes a one-time investment of up to €255,000 for equipment.
6. **A short CV** of the Israeli and German partners (the list of publications should be from the last 5 years only).
7. A list of 5 potential reviewers (Israel and/or Abroad) **DO NOT** suggest potential reviewers whom you know personally!
8. Please send your proposal in **one single file in PDF or WORD** to szalka@univ.haifa.ac.il

*** Researchers may only submit ONE proposal.

***The program is not intended for Emeritus.

Please contact **Shoshi Zalka** for further information at tel.: **53278** or email szalka@univ.haifa.ac.il

Good luck!

Criteria for DIP Proposal Evaluation

- ✓ Novelty/Originality
- ✓ Contribution to the research field
- ✓ Future-oriented research topic
- ✓ Relevance
- ✓ Clarity and conciseness of the research objectives
- ✓ Synergism - Close German-Israeli cooperation
- ✓ Scientific excellence of the Israeli and the German applicants(s)
- ✓ Seniority of the Israeli applicant (s)
- ✓ Seniority of the German applicant(s)
- ✓ Feasibility and suitability of the research
- ✓ Adequate ratio between the research and the budget suggested.
- ✓ The contribution of each partner to the project
- ✓ Participation of Young Scientist in the program (PhD, Postdoc, etc.)
